

New student pre-orientation checklist

- Send all high school, AP, IB, CLEP, Dual Enrollment (must come from dual enrollment institution), and final transfer credit from all institutions attended to Virginia Tech.
- Complete the immunization history requirements: healthcenter.vt.edu/new_student/
- Set up your VT PID and Password: computing.vt.edu/kb/entry/1656
- Register for orientation: nsfp.vt.edu/new_student_orientation/first-year_orientation/
 - If you are unable to attend orientation, please let me know. The make-up orientation date will be **August 24th** and it is highly recommended you attend an orientation, even if it is the make-up date.
 - **Summer Academy participants (entering summer session) only:** please plan to attend orientation on **July 5th**.
- Complete registration requirements: hokiespa.vt.edu

(You will not be able to register for courses at orientation until this step is completed. Please complete **BEFORE** you get here for orientation.)

 1. Click Hokie Spa > Registration and Schedule
 2. Update Emergency Contact Information
 3. Confirm Emergency Contact Information
 4. Add/update FERPA Disclosure (If you wish for your parents or any other individual to be able to access your academic information, follow the instructions on this page.)
