FOREST OPERATIONS AND BUSINESS NOTES

1. **Satisfactory Progress**: By the end of the semester in which the student has attempted 60 hours (including transfer, advanced placement, advanced standing, and credit by examination), "satisfactory progress" towards a B.S. degree in Natural Resources will include the following minimum criteria:
   - Having an in-major and overall grade point average of at least 2.0
   - Passing at least 24 semester credits that apply to the Curriculum for Liberal Education (CLE)
   - Passing the following courses, or their equivalents: BIOL 1105, 1106 and 1115, 1116, and MATH 1026

2. **Foreign Language Requirement**: A sequence of two (2) foreign language courses is required for graduation unless two (2) high school units of the same foreign language or six (6) transfer credit hours of foreign language have been earned. These credits do not count toward graduation. See catalog section on “Graduation Requirements.”

3. **Policy on Student Exchanges**: Studying overseas or at another U.S. university is a wonderful opportunity to enhance your education. However, planning for an exchange should begin at least 9 months prior to leaving. This will allow time to determine what substitutions, if any, will be allowed and time to arrange your schedule at Virginia Tech to ensure that all requirements for graduation are met.

4. **In Major GPA Computation**: Includes all courses designated as FIW, FOR, GEOG, NR and SBIO.

5. An in-major and overall GPA of 2.0 is required for graduation.

6. Some of the listed courses have prerequisites. Be sure to consult with the University Catalog or check with your advisor.

7. Some courses must be taken in sequence to satisfy prerequisites. Consult your advisor.
