

Authorization to Study Abroad

Please fill out and submit form to the CNRE Advising Center – 138 Cheatham

Policies	
1.	Courses and transcript must be taken at an accredited college or university in the U.S. or the institution must be recognized by the Ministry of Education and authorized to grant degrees in the country in which it is located. <ul style="list-style-type: none"> a) VT does not accept transcripts from any third party programs. Transcripts must be sent directly from the college or university at which the classes were taken, or from the School of Record for that program. You may need to request these before you travel to your program. b) It is best practice to request more than one official transcript, so that you may retain an official transcript with your records.
2.	Please read the following grade policies carefully: <ul style="list-style-type: none"> 1. Only courses with an equivalent grade of “C” or better will transfer. 2. P/F courses, home study courses and terminal or vocational courses do not transfer.
3.	Only credits transfer, grades do not.
4.	A course passed at VT takes priority over a transfer equivalent course.
5.	A minimum of 25% of the credit for the degree must be earned at VT.
6.	Only 18 of the last 45 credit hours can be transferred from another institution.
7.	Only courses for your primary degree will transfer; students completing more than one degree must complete an extra 30 hours of VT credit. No exception.
8.	Courses taken elsewhere while on suspension will not transfer.
Procedures	
Please allow a minimum of 3 months for processing this request. Please note: Approval subject to change upon receipt of transcript if courses taken differ from your approvals.	
1.	Discuss taking courses elsewhere in advance with advisor and/or have the appropriate departmental representative sign this form. This helps to determine the best semester or summer to study abroad and how study abroad might affect your progress towards your degree.
2.	Determine the country in which you wish to study and find a program that meets your needs. For assistance in determining the country in which you wish to study, please contact the Global Education Office (526 Prices Fork Road (0378), Room 131, Blacksburg, VA 24061 Phone: 540-231-5888 E-Mail: vtabroad@vt.edu)
3.	Go to the Global Education Office to complete the appropriate paperwork. Complete the following information once you know when and where you are going and have a representative from the Global Education Office sign where indicated. This signature is to verify that an accredited college or university runs the program you want to participate in in the U.S. or the institution is recognized by the Ministry of Education and authorized to grant degrees in the country in which they are located.
4.	Attach to this form a detailed course description and syllabus, including ECTS and/or credit for each course you wish to take abroad. Make sure to include your name and student ID number on each page you provide in case pages become separated from this authorization form. Complete the table on the next page with course information for the study abroad courses, as well as the VT courses for which you would like to receive credit. Please submit no more than 8 courses for evaluation. In many cases, credits or units from elsewhere do not transfer to VT on a 1 for 1 basis.
5.	Are you completing a dual degree (not a second major)? If yes, please be aware that Virginia Tech policy states that the last 30 hours for the dual portion of your degree must be completed “in residence,” (courses must be taken AT Virginia Tech).
6.	See your Academic Dean’s Office for a meeting with an appropriate representative. Turn completed form and syllabi in to your Academic Dean’s office for approval PRIOR to taking courses.
7.	Please submit a separate form for each term or institution in which you intend to take courses elsewhere.

I have read and understand the policies and procedures governing transfer credits.
